NATION PAYS HOMAGE

FAREWELL ADDRESS OF
FATHER OF HIS COUNTRY

Read in Congress for Generations
Never So Closely Applied to
Conditions as Now

CELEBRATION IS HELD

President Wilson and Other
National Figures Gather in
Hall to Observe the Day.

WASHINGTON, Feb. 22.—Every
agency of the American government
paused today to pay homage to the
memory of George Washington in the
national capitol, which bears his
name.

President Wilson, Secretary Lansing,
Ambassador Jusserand and other
national figures gathered at a celebration at Continental memorial hall
under the auspices of associated patriotic societies.

Both houses of Congress suspended
business, while Senator Johnson, of
Maine, and Representative Raker, of
California, read General Washington's
farewell address with its phrases
warning against "insidious wiles
of foreign influence," "mischief of
foreign intrigues" and "the impostures
of pretended patriotism."

The farewell address has been read
in Congress for generations but probably
never before were Washington's words
so closely applied to present day
conditions.

FOLLOW WASHINGTON

Is the Adjudication of Senator
Lodge in Warning to Peace
at Any Price Advocates.

MORRISTOWN, N. J., Feb. 22.—
United States Senator Henry Cabot
Lodge, of Massachusetts, in a speech
here today issued a warning to the
"peace at any price" advocates, when
he said:

"The men of Washington's day, who
were for peace at any price frankly
because they were afraid and cared
more for money than aught else, are
forgotten, but the name of Washington
is enshrined and revered by all nations.
Let us not depart from his teachings
or from his high conception of a
man's duty. Let us apply that conception
now and put it into action
without fear or favor."

WILLARD TO TRAIN.

CHICAGO, Feb. 22.—Jesse Willard,
heavyweight champion, expects to be
in New York by the end of the week
to start training for the ten round
bout there with Frank Mora, March
25. He has recovered from the cold
which kept him indoors for more
than a week.

BULGARS APOLOGIZE.

ATHENS, Feb. 22.—The Bulgarian
government has made apologies to
the Greek government for the arrest
of a diplomatic messenger and the
seizure of legation documents, while

Constantinople to Athens.

HITE'S CANDIDACY
MAKES PROGRESS

In All Parts of State and Manager
Topping is Gratified
with Results Thus Far.

HUNTINGTON, Feb. 22.—Reports
now being received at the headquarters
of William F. Hite, candidate for
the Republican nomination for
United States Senate, from points
throughout the state and in every
county, bring cheering news of pleasing
progress being made. In the northern,
as well as in the southern,
section of West Virginia, many of
the old "wheel horses" of the party
are rallying beneath the Cabell county
candidate's banner, while among
the younger element his popularity
and support is being strongly
assured. This race bids fair to be one
of the most interesting ever witnessed
in West Virginia. Both of the
candidates are successful men, men
of high honor and integrity; of equal
importance to the political party to
which they hold allegiance, and it is
evident that in this one instance at
least the state will see a clear-cut,
clean and determined contest for
nomination to high office.

Manager C. L. Topping, of the Hite
headquarters here, on Saturday had
the following to say concerning the
Hite candidacy:

"Without boasting, I am agreeably
surprised at the assurance of strong
support coming in from all over the
state. Mr. Hite is not a candidacy
of the sensational order; it was not
expected that he would be accepted
with a whoop and a hurrah and made
the leading candidate at first shot—
but now that his letter of announcement
has had time to soak into the
minds of thinking people, and now
that opportunity has been afforded
to look up the candidate's record and
life history, his service to the great
Republican party and his availability
for the United States Senate, the re-

SONS OF REVOLUTION
GATHER IN THE CITY

Washington's Birthday is Cel-
ebrated by State Or-
ganization.

Washington's birthday is being
fittingly commemorated in this city
today by the annual state meeting of
the West Virginia Society of the
Sons of the Revolution, historical
events of the revolutionary period
being featured in the program.

The delegates were taken on an
automobile ride around the city and
its suburbs from 1 until 2 o'clock
in the afternoon as the first event of
the day's festivities, their hosts be-
ing the Clarksburg members of the
society. The annual business meet-
ing began at 2:30 o'clock in the af-
ternoon at the Hotel Gore, where the
society has its headquarters. Fol-
lowing the business session, the dele-
gates and their ladies are to be en-
tertained at a reception given for
them by Mrs. W. Brent Maxwell, re-
gent of Daniel Davidson chapter of
the Daughters of the American Revolu-
tion, at her home on West Pike
street.

The annual banquet at 8:30 o'clock
tonight in the dining hall of the Hotel
Gore will be the chief feature of
the gathering. The toastmaster will
be George L. Duncan, of this city.
Mr. Duncan will deliver an address
of welcome, former Governor Albert
state official stands without question.
As a member of the state supreme
court, Judge Robinson's record is that
of a high-minded, sincere and power-
ful jurist, so recognized by the people
and the courts.

"Since coming to Martinsburg I
have had an opportunity to talk to a
number of active and influential Rep-
ublicans, and am delighted to find
the extremely warm sentiment for
Judge Robinson, and to have so many
promises of hearty co-operation and
support in his campaign for the nomi-
nation for governor on the Republican
ticket."

GEORGE WASHINGTON.

(By John Hall Ingham.)

This was the man God gave us when the hour
Proclaimed the dawn of Liberty begun;
Who dared a deed, and died when it was done.
Patient in triumph, temperate in power—
Not striving like the Corsican to tower
To heaven, nor like Philip's greatest son
To win the world and weep for world's unwon,
Or lose the star to revel in the flower.
The lives that serve the eternal verities
Alone do mold mankind, Pleasure and pride
Spark awhile and perish as the spray
Smoking across the crests of cavernous seas
Is important to hasten or delay
The everlasting surges of the tide.

LINCOLN'S ESTIMATE OF WASHINGTON.

"Washington's is the mightiest name of the earth—long since
mightiest in the cause of civil liberty; still mightiest in moral reformation.
On that name no eulogy is expected. It cannot be. To add
brightness to the sun, or glory to the name of Washington, is alike
impossible. Let none attempt it. In solemn awe pronounce the
name, and in its naked deathless splendor leave it shining on."
"ABRAHAM LINCOLN."

ROBINSON'S MAJORITY
TO BE OVERWHELMING

According to Prediction Made
by Hugh Warder, Judge's
Former Law Partner.

MARTINSBURG, Feb. 22.—In the
interest of his favorite candidate, his
former law partner, Judge Ira E. Rob-
inson, Attorney Hugh Warder, of
Grafton, has been in Martinsburg in
conference with a number of active
Republicans investigating the situa-
tion in the eastern panhandle and feel-
ing out sentiment as to his candidate
in particular.

Mr. Warder is in a most enthusiastic
mood as to the outlook for the nomi-
nation of Judge Robinson for governor
by the Republicans in the June pri-
maries, and as expressed by Mr. War-
der, this idea is based on information
and an assurance given by influential
Republicans in every part of the state.
He says at the headquarters at Grafton
pleasing letters are coming in by the
hundreds, and Judge Robinson is
out in the field actively covering all
possible of the state in person. The
Judge takes the favorable expressions
and words of endorsement by Repub-
licans and by the press in his usual
warm-hearted spirit and with evidence
of appreciation for human kindness.
In his discussion of the candidacy
of Judge Robinson Mr. Warder said
in particular: "From a careful in-
vestigation, a close study of the re-
ports that have come into Judge Rob-
inson's headquarters at Grafton,
through individuals and by letters, I
